

CAVE EXPLORATION GEAR LIST

Particular access and environmental issues must be addressed when on the cave trip. We practice leave no trace methods and take great care to preserve the cave ecosystem.

What to bring:

Old clothes that can get wet and muddy

Old shoes or rain boots.

Cotton work gloves

Flashlight

Change of clothes in a plastic bag.

The cave is a constant temperature of 58F so an old fleece jacket or sweater is perfect.

We will be outside so dress for the weather. This event takes place rain or shine.

We provide helmets, extra flashlights and a professionally guided experience.
